

HD 8-Channel Portable Video Streaming Studio

MSRP \$5,999

HS-2600 Comprehensive Portable Live Production Solution

The HS-2600 is a high-performance portable studio for live production and broadcasting. It supports 4 SDI and 4 HDMI inputs at up to 1080p 60fps, ensuring top-quality video. With 3 SDI and 4 HDMI outputs, it offers flexible configurations for multi-view, main, and preview outputs.

Equipped with chroma, luma, and linear keying, plus 4 picture-in-picture options, the HS-2600 enhances video versatility. It features 3D transitions, wipes, and still image storage, elevating production creativity and professionalism.

Key Benefits:

- Flexible and customizable 8 Input Full HD Production Switcher.
- Directly stream to Facebook Live, YouTube, Twitch and more.
- Built-in H.264 Recorder for SD Cards.

Completely Customizable 8 Input Full HD Production Switcher

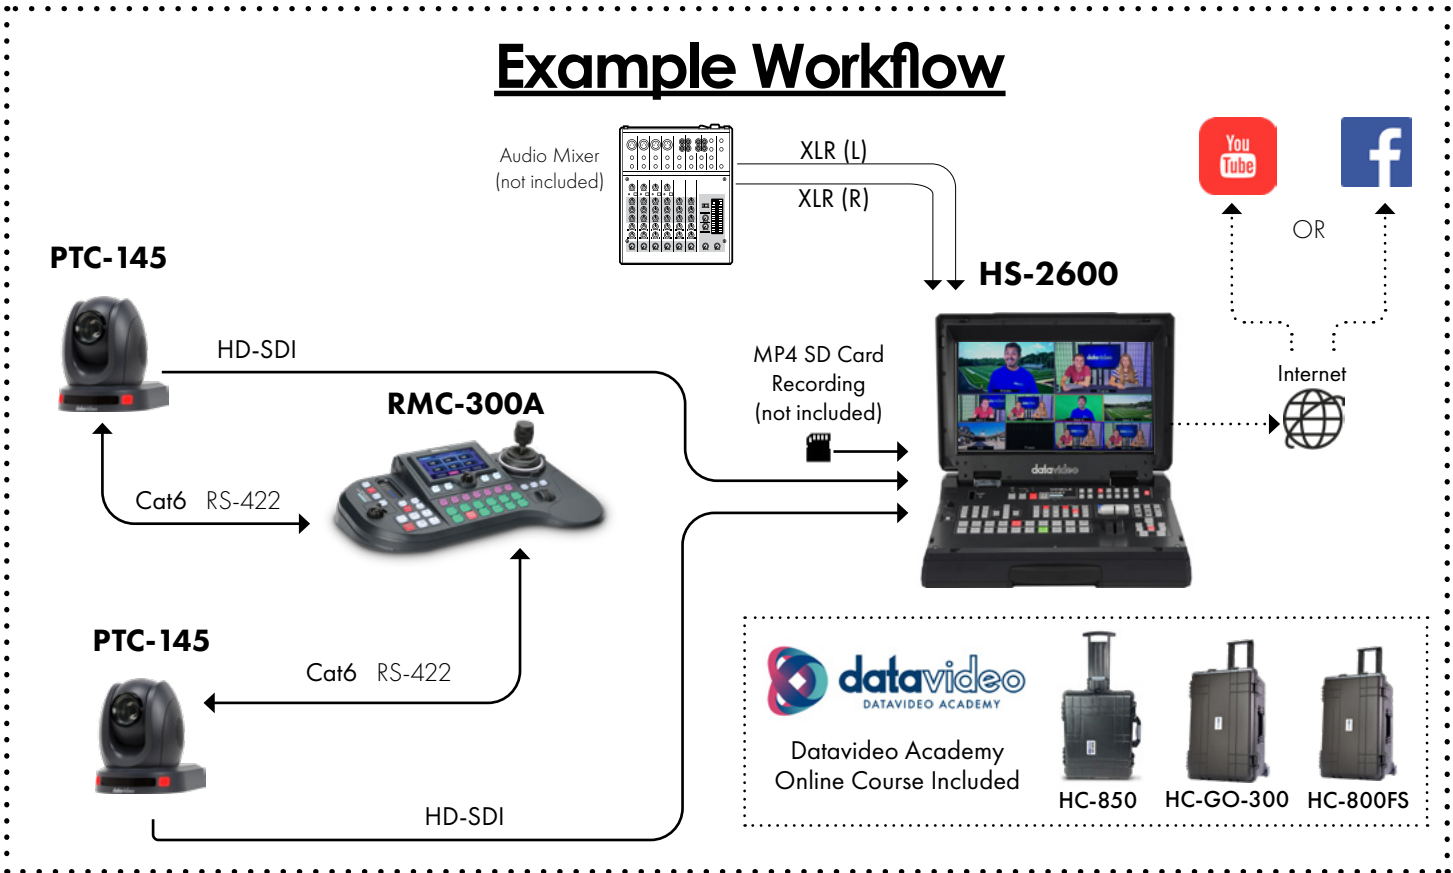

The HS-2600 is equipped with 8 inputs (4x SDI+4x HDMI) and 7 outputs with 4 assignable (3x SDI+4x HDMI) to help you produce a sophisticated and professional live event.
