

Turn Any Camcorder into PTZ

Benefits:

- Allows video producers to reduce production cost.
- One camera controller could replace 4 camera operators.
- PTR-10 Mark II can handle camera weight up to 8.5lbs
- Optional HDBaseT model eliminates the need for local power.

Robotic Pan Tilt Head PTR-10 MARK II

MSRP: \$2,199

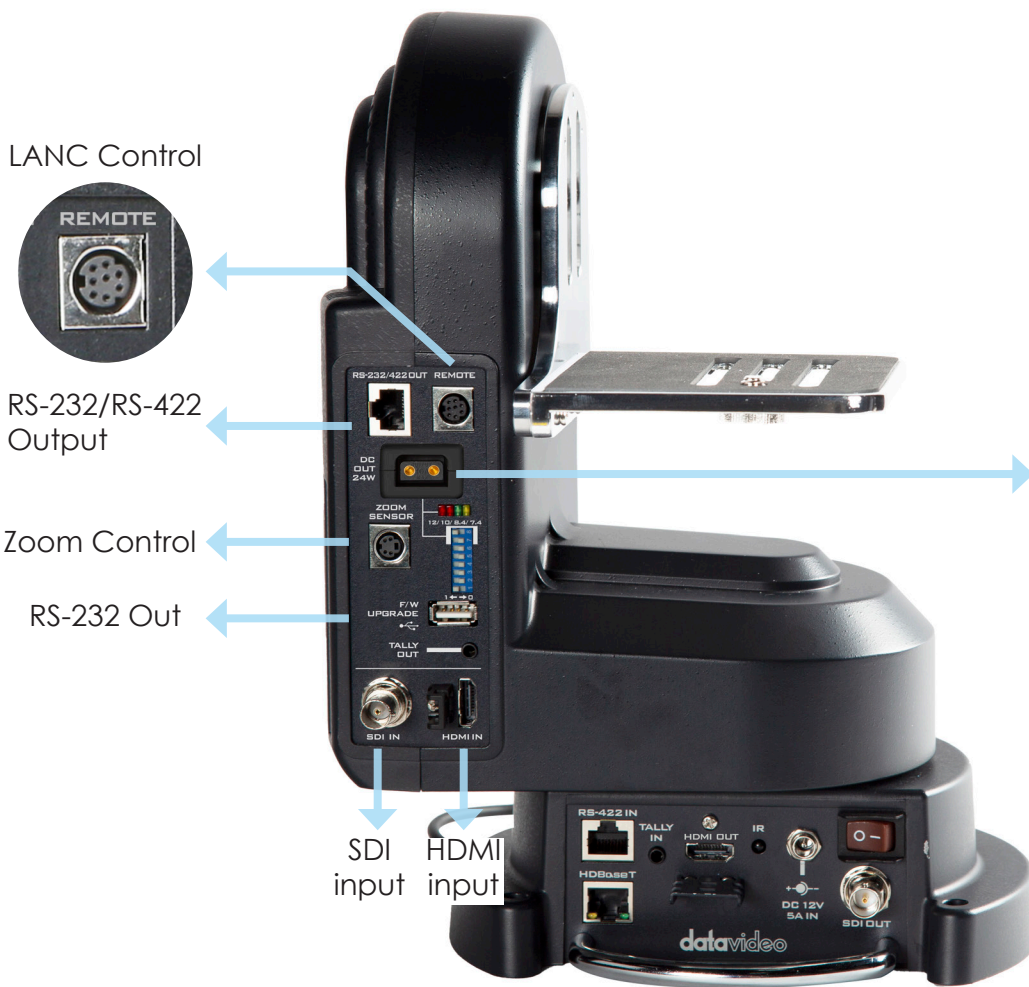

HDBaseT Robotic Pan Tilt Head PTR-10T MARK II

MSRP: \$2,699

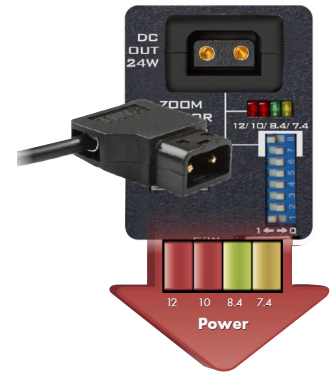

The PTR-10(T) Mark II is uniquely different from traditional PTZ cameras by allowing you to use a camcorder best suited for your application by turning it into a remotely controlled robotic pan, tilt, and zoom camera.

The PTR-10(T) can be mounted on the wall, ceiling, or tripod. Its sleek design fits seamlessly in your theater, church or conference room.

PTR-10(T) MARK II

Universal Power

D-tap connector for DC output

Use D-tap cable to power third party camcorders from PTR-10(T) with selectable DC voltage that includes 7.4V, 8.4V, 10V and 12V. D-tap to DC 5.5mm with locking power cable is included for Datavideo block cameras.

*Selectable DC voltage output for different cameras (7.4 / 8.4 / 10 / 12V)

Serial Control with RMC-180 Mark II

The RMC-180 Mark II RS-422 serial VISCA controller can remotely control pan, tilt, zoom and OSD menu for up to four PTR-10's.

- Controls up to 4 PTC cameras
- Up to 8 presets for 2 cameras
- Serial control RS-422
- Home run connections from camera

PTR-10 & MFT KITS

If you are using your MFT camera for live video production, now you can use your cameras with the Datavideo PTR-10 Pan, Tilt, and Zoom head without a need for camera operators. There are two kits you can choose from, based on the type of micro 4/3 camera.

MFT-1 KIT
Zoom Control Kit with Mount & Tilta Nucleus-M Motor

PTR-10 MK II with MFT-1 KIT & BMD™ Studio Pro 4K

If you have a Blackmagic Design™ Studio Camera 4K Pro, MFT-1 KIT, which includes a wider mounting plate, gear ring, and motor. (PTR-10 MARK II NOT INCLUDED IN KIT)

MSRP: \$699

MFT-2 KIT
Zoom Control Kit with Base Plate & Tilta Nucleus-M motor

PTR-10 MK II with MFT-2 KIT & LUMIX™ BGH1

If you have smaller cameras such as LUMIX™ BGH1 or a DSLR, choose the MFT KIT with PTR-10 MARK II. Get all the benefits of PTZ camera from your MFT camera such as Lumix™, Blackmagic Design™, and Z Cam™. (PTR-10 MARK II NOT INCLUDED IN KIT)

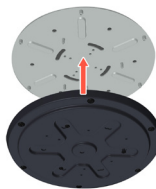

MSRP: \$699
