- UVE 4K/30P Output Zoom / MS Teams

[www.datavideo.com](http://www.datavideo.com)

ON

OFF

PTC-305

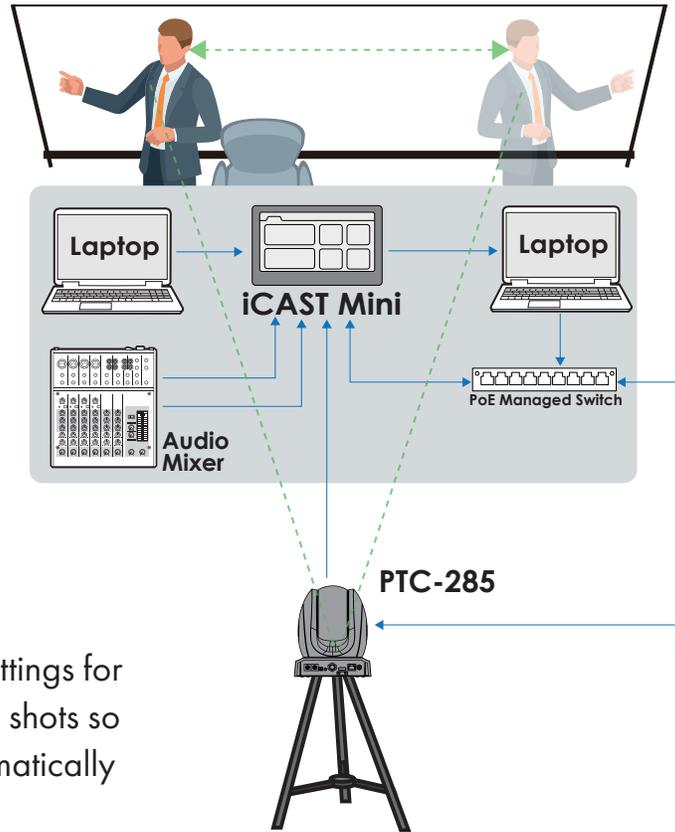

20x 4K Tracking

PTC-285

12x 4K Tracking

## Auto Tracking Mode

Use Datavideo's PTC-305 or PTC-285 (4K UHD) Smart Auto Tracking PTZ camera to enhance your online presentation. The PTC-305/285 advanced auto tracking function uses object tracking.

You can adjust camera settings for full, medium and close up shots so that the camera will automatically zoom to the subject.
